Subject: Training of Anganwadi Workers on digital literacy under "Digital Saksharta Abhiyan" - Regarding

Sir/Madam,

The Department of Electronics & IT has approved a Scheme titled "Digital Saksharta Abhiyan" - a National Digital Literacy Mission, wherein it is envisaged to provide digital literacy to about 50 lakh people across the country. The nodal agency for implementation of this scheme is CSC e-Governance Services India Limited, a Special Purpose Vehicle (SPV), set up by Government of India. As a part of the aforesaid scheme, it is proposed to take up training of all Anganwadi Workers also on digital literacy to help them participate effectively in various eGovernance Services being planned by this Ministry at the field level. It is strongly felt that such digital literacy would help the AWWs to use IT more effectively in performing their duties and, hence, improve delivery of services under the ICDS.

2. A copy of D.O. letter No. L-14015/38/2014-HRD dated 22 December, 2014 from Shri R.S. Sharma, Secretary, Ministry of Communication & Information Technology, addressed to Secretary, MWCD in this regard is enclosed. The letter is self-explanatory.

3. You are, accordingly, requested to issue appropriate directions to all concerned to immediately initiate action to identify the nearest CSCs where AWWs of your State can be trained. As mentioned in the enclosed letter, all expenses in this regard will be met from the "Digital Saksharta Abhiyan" Programme. CEO, CSC-SPV will shortly get in touch with the State Government to work out the detailed modalities.
